

"Your quality TIME is important for your child"

☞ Strike a golden mean while considering demands of children, do not confuse love with expensive gifts or gadgets

- Instead A thumbs-up - when your child has achieved a task
- A hi-fi- when he agrees with you
- A hug- which he always longs for, especially when your back home from work
- Making the child's favourite dish- which will bring a beautiful smile on his face, this in turn will give you a sense of satisfaction & will make you happy.
