Get the conversation started

Start conversation with your clients, respond to queries, and set goals.

This is the space to *activate action around conversations*

The interface displays search filters and a table of queries. The filters include 'From date' (01-06-2019), 'To date' (06-11-2020), 'Search Keyword' (empty), 'Search For' (Sukanya), and 'My Patterns' (All Patterns). A 'Search' button is present. Below the filters, the user name is 'Sukanya' and the status is 'Activated By User'. There are 'Add Inputs' and 'Deactivate' buttons. The table below shows a single query entry.

Sr No.	Query / Guidance ID	Reference	Queries & related Guidance	Date	Add	View	
1	SUKA00072	Set Goal	Find your 20% task - The Pareto principle states: You tend to get 80% of your results from 20% of your work. The best way I Have found to identify my 20% work is this simple exercise: First, ask yourself what you would work on if you could only do three things today. Be ruthless; only pick three. Next, cut that down to two. And finally, just one. If you absolutely had to stop working after doing only one task,	22-Oct-2020 03:02 PM
