

“Parenting is an Art”

☞ Expose the child to money management

- The piggy bank is transparent and piles of coins increasing when deposited and the pile reducing when withdrawn can be observed.
- Every month one toy can be purchased as per the collected budget. There will be no buying rest of the month, this will teach discipline.
- If the child wants a bigger gift then she/he has to miss gifts for one-two months, understands delayed gratification.
- With all these steps, you can easily introduce to the child the concept & value of money.
